Please consider this your Save the Date and join us for the 2022 Health Rosetta Summits which take place (once again) at Rosen Shingle Creek (Orlando) on March 17-19 and August 15-17 in Denver. It will be an inspirational, educational, and fun way to connect with the forward-looking benefits advisors, employers, unions and municipalities that are literally transforming the health & wealth in their businesses and communities.

The last Health Rosetta Summit drew nearly 400 attendees from across the U.S. That event was our first attempt at holding a fully hybrid event. In 2022, we will expand the type of practical application and workshops for advisors and solutions. We will also have more content for employers, unions and public sector leadership. We have dedicated even more resources to expand our marketing efforts with this audience.

The program includes 2.5 packed days of inspiring keynotes, hands-on training, topic breakouts, interactive roundtables, 1:1 meetings, demos & both live and tech-enabled speed networking with Health Rosetta Advisors, account executives, their health plan clients & prospects, clinicians and other industry thought leaders.

As one of the mission-aligned Ecosystem Solutions trusted by a Health Rosetta Advisor, we hope to see you at the March 2022 Health Rosetta Summit as a sponsor. We've worked diligently to offer 2022 Summit sponsors with a wide variety of marketing opportunities, each designed to provide unparalleled access to the best and brightest in the benefits industry, and we are certain you will see that in the attached event prospectus. This year we are also excited to extend a special offer to those interested in sponsoring as Category Catalyst level: you'll be featured as a sponsor of both Summits plus have branded representation and attendance at the monthly advisor events throughout the year. Change Agent sponsors for the March Summit can select two additional monthly webinars to join.

We look forward to having you part of our educational programming next year. Should you have any questions or concerns, please don't hesitate to reach out to LynAnn at LynAnn.henderson@kynexions.com or **406.671.6573**.
